Bay Area, CA / New York, NY | (650) 660-8808 | as4465@cornell.edu | linkedin.com/in/arnav-singhal0

EDUCATION

Cornell University | *Peter and Stephanie Nolan School of Hotel Administration*

Expected May 2028 | Ithaca, NY

B.S. Hotel Administration, Minor in Computer Science, Minor in Statistics

Relevant Coursework: Intro to Computing (Python); Data Structures; Financial Accounting; Microeconomics, Object Oriented Programming, Marketing, Organizational Behavior, Business Computing, Hotel Operations, Virtual Enterprise

WORK EXPERIENCE

Sidekick (Y Combinator W26) | *Founding Product Engineer*

Nov 2025 – Present | San Jose, CA

- Scaled platform to \$150K+ ARR by owning the product roadmap, sprint planning, and weekly ship cadence across a 5-person team
- Led 20+ customer discovery sessions with hotel operators and GMs to diagnose deployment friction, translating findings into context-aware deployment logic that cut onboarding time ~40% and lifted pilot-to-paid conversion to 75%
- Owned features end to end (user research, spec, implementation, launch), shipping 6+ AI-powered features across guest-messaging and operations workflows that reached 85% weekly active usage across pilot properties within 2 months of launch
- Instrumented product analytics and ran prompt-level A/B tests that cut AI response error escalations by 30%; synthesized usage data into traction metrics and customer narratives supporting YC Demo Day fundraising materials and investor updates

Adobe | *AI/Strategy Consultant (Contract)*

Jan 2026 – Apr 2026 | San Jose, CA

- Advised IT leadership at Fortune 500 client firms on enterprise AI product strategy across 4 engagements, building market-sizing frameworks, UX benchmarks, and competitive positioning analyses shaping adoption decisions tied to \$1M+ contracts
- Authored business cases for 5 proposed AI capabilities; 2 adopted by leadership and now in suite beta testing

Gimme! Coffee | *Growth Strategy Consultant (Contract)*

Oct 2025 – Apr 2026 | Ithaca, NY

- Analyzed 18 months of historical bakery sales data to identify top-performing items and market gaps in the product lineup, evaluating unmet customer needs and delivering a prioritized roadmap of new product development opportunities to leadership
- Benchmarked 10+ leading bakeries' Instagram and TikTok accounts across engagement metrics (likes, shares, comments) to identify high-resonance content types, informing a revised content strategy of product spotlights and student collaborations
- Surveyed 150+ Cornell students on sandwich preferences, price sensitivity, and purchase frequency; compared consumer perceptions of Gimme!'s baked goods against on-campus competitors to pitch differentiated future campaign concepts

W3B Education | *Chief Growth Officer (Business, Blockchain & AI Nonprofit)*

Nov 2021 – Aug 2025 | San Jose, CA

- Scaled nonprofit to 2,000+ members across 27 countries by owning Instagram and LinkedIn growth strategy end to end; recruited 50+ corporate executives and 25+ professors as competition speakers and judges while raising \$3,000+ in prizes

LEADERSHIP & CAMPUS INVOLVEMENT

Cornell Digital Tech & Innovation (DTI) | *Business Analyst*

Jan 2026 – Present | Ithaca, NY

- Ran 15+ user interviews and usability tests across campus products reaching 17,000+ Cornell students; synthesized findings into prioritized feature backlogs adopted by engineering teams while driving Instagram and LinkedIn launch content
- Defined success metrics and launch strategy for 2 product releases, driving 2,000+ new student sign-ups in one semester; built KPI dashboards tracking retention and engagement that now guide roadmap prioritization across 3 product teams

Cornell International Business Consulting (IBC) | *Analyst*

Sep 2025 – Present | Ithaca, NY

- Selected amongst 100+ applicants via multi-round case interviews; serve on a 5-person client market-entry engagement, sizing TAM, benchmarking competitors, and presenting strategic recommendations to client leadership
- Built a market-entry model sizing a \$40M+ TAM across 3 customer segments; final recommendations presented to client C-suite, with 2 of 4 proposed initiatives greenlit for the client's 2026 expansion roadmap and follow-on engagement

Cornell Undergraduate Asia Business Society (CUABS) | *Analyst*

Sep 2025 – Present | Ithaca, NY

- Admitted at ~5% acceptance rate (190+ applicants); build weekly client-style deliverables across global industries
- Led a 4-person team to first place in the internal case competition, pitching an APAC hospitality-tech market entry strategy judged by industry professionals on market sizing, financial projections, go-to-market design, and presentation delivery

Fremont Union High School District | *Student Board Representative*

Jun 2024 – Jul 2025 | Bay Area, CA

- Selected from 500+ applicants to represent 9,000+ students across 5 schools; led 6 initiatives adopted district-wide

Fremont Union Climate Collective | *Co-Founder & President*

Jun 2023 – Jun 2025 | Sunnyvale, CA

- Secured \$60,000+ in funding across 20+ grant applications; produced an Earth Day event drawing 1,400+ attendees and 480 student projects, featuring Congressman Ro Khanna and National Geographic alongside district and city partners
